## **SEAL OF BILITERACY BILL NOW LAW**

I'm pleased to share that my House Bill 1877 has been signed into law! The statewide Seal of Biliteracy program now more broadly recognizes PA graduates who are proficient in English and another language, helping strengthen our workforce and retain young talent. No projected cost to taxpayers.

## **BROAD + LIBERTY**

**SCOTUS Landmark Decision Presents an Opportunity to Protect Female Athletes in PA.**

The U.S. Supreme Court ruling recognizing one's biological sex marks an important step toward greater protection and fairness for female athletes. It should encourage the PIAA to formally adopt policies that protect girls' sports. Read my latest op-ed at [broadandliberty.com](http://broadandliberty.com).
